CLUB ACTIVITIES

Every Wednesday 7:00 AM meet at Hy Vee Engle wood and North Oak. Have coffee discuss problems and visit.
Every Saturday 6:00 PM Ice cream at the Big Burger Viv ion Road, good place to drive your Model "A".
May 5th & 6th Lawrence Antique Auto Swap Meet.

The logo committee has been working real hard and should have something to bring to the next meeting. They have been working with several firms trying to get the best deal and the best quality.

June 11-15 WICHITA KANSAS. Midwest regional meet hosted by the Wichita "A's" Model A Ford Club. Meet headquarters is Hilton Airport, 2098 S. airport road. Phone 316 945 5272 for reservations. They are planning some really interesting things. You can get the registration form from Richard Kibbe phone 316 838 3452 or email him at ra kibbe@cox.net. If you have never gone to a regional, don't miss this one, there are several planning to drive, more on this later. GET REGISTERED....

Some of us hope this will be a long winter, Bill Au ch is just now pulling his engine, to replace the clutch and fly wheel. Lee Doni us is about ready to crank his up having replaced his engine. John Osborn thinks his is ready to accept the body after doing some frame work. Ask John how to remove rust using sugar beets, thats right sugar beets.

At the last meeting Joyce Kerr invited the group to participate in the Edgerton Pioneer Day parade on sept. 8th. Keep that date on your calender.

Received a note with a dues form and I Quote(when test driving a strange car be sure and check the brakes before you head out) to get the entire story talk with Bob Dunham.
