I know it is impossible to be the first one there.

FROM THE PRESIDENTS DESK

I would like to personally thank all our Club members who have worked on all our Fund Raisers. Lawrence Swap Meet (Bill Auch & Clarence Lawson's idea). We got a real financial boost from this, thanks to all our members who donated Model A Parts and all of us who worked out there. Next I want to thank Terry Richardson for letting us store our excess parts in his barn until we went to the Shrine Swap Meet. Thanks again, Clarence Lawson for getting our club those great swap meet spots and those who worked out there on those HOT days. And we made a little money too! Next the Quilt Raffle will be at our Sept 10th meeting. Please bring all the tickets and money to the meeting for the drawing. Thank you Marilyn & Larry Singleton for making this happen.

P.S. Last night your father and I reviewed our retirement savings. We've decided we have enough to last us the rest of our lives, unless we decide to buy something!.Oh, well.

I know you have an impressive wardrobe, But of all the things you wear, your expression is the most important. If someone remembers your suit and not your smile, you didn't smile enough.
